IMPORTANT - READ CAREFULLY

This license statement and limited warranty constitutes a legal agreement ("License Agreement") between you ("Licensee", either as an individual or a single entity) and vAConsult ("Licensor"), sole worldwide publisher of the software product vASolCal ("Software") of which vAConsult is the copyright holder.

The Web Site referred to in this agreement is <http://www.vAConsult.net/>

BY INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY ALL OF THE TERMS AND CONDITIONS OF THE LICENSE AGREEMENT.

Upon your acceptance of the terms and conditions of the License Agreement, Licensor grants you the right to use the Software in the manner provided below.

If the Licensee wishes to use the software, for purposes other than evaluating the Software, the Licensee must purchase a user license from the Licensor. This license bears the name of the licensed company and is not transferable to any other party. Pricing and availability is subject to change without prior notice. The Licensee can consult the most recent pricing information at the Web Site.

The Licensee has the option of creating a single installation of the Software used by one or more persons, or creating multiple installations of the Software used exclusively by a single person. Any combination of these options, or installing the Software on a network server, is not permitted.

The Licensee has the right to place an additional copy of the Software on a removable medium for backup purposes to protect the investment made.

Technical support is available directly from the Licensor at no additional charge for a period of one year after purchasing the licence for the software. Questions can be mailed to webreply@vaconsult.net.

Technical support for Licensees which are evaluating the Software and have not purchased a license, will be limited to problems that prevent the Licensee from evaluating the core functionality of the Software.

The licence is granted for the use of the software limited to generating documentation for the products of the Licensee only. The use of this software to generate documentation for other companies or organisations is available through on request.

The Software is provided "as is". In no event shall the Licensor or any of the Licensor's affiliates be liable for any consequential, special, incidental, or indirect damages of any kind arising out of the delivery, performance or use of this Software, to the maximum extent permitted by applicable law. While the Software has been developed with great care, it is not possible to

warrant that the Software is error free. The Software is not designed or intended to be used in any activity that may cause personal injury, death, or any other severe damage or loss. Neither shall the Licensee be liable for any consequential, special, incidental, or indirect damages of any kind arising out of the use of this Software under the terms of this License Agreement.

When errors are found in the Software, the Licensor will release a new version of the Software that no longer contains those errors a reasonable amount of time after the Licensor is given an accurate description of those errors. The amount of time considered reasonable will depend on the complexity and severity of the errors.

The Licensor reserves the right to revoke the Licensee's license without prior notice if the Licensee violates any of the terms of this license agreement.

You must not attempt to reverse compile, modify, translate or disassemble the Software in whole or in part. You must not run the Software under a debugger or similar tool allowing you to inspect the inner workings of the Software.

The Software remains the exclusive property of the Licensor. Any Licensee who fully complies with the terms in this license agreement may use it according to the terms of this license agreement. Except for distributing the generated installation program(s) as described above, you must not give copies of the Software or your license key to other persons or entities. You must not transfer the Software or your license key to another person or entity. You must also take reasonable steps to prevent any third party from copying the software from one of your computers or removable devices without your permission.
